Care & Maintenance

Caring for your laminate floor is easy. Vacuum or sweep the floor to remove dirt and debris, and use a slightly damp (but not wet) mop for regular cleaning. For preventative care, entrance mats and rugs in high wear areas should be considered, together with felt protectors for furniture and appliance legs.

The look of wood
– the durability of laminate

The look of wood

– the durability of laminate

Australian Longboards – combining the look of classic Australian timbers with the hard wearing qualities of laminate.

Environmentally sound choice

Australian Longboards create the appearance of a genuine timber floor. Made from High Density Fibreboard (HDF), manufacturing places few demands on our environment, making it the ultimate sustainable floor.

Stylish

Available in 6 popular Australian timber colours, and with a stunning gloss finish, it readily matches the most stylish interiors.

Robust

Tougher than traditional engineered timber floors, Australian Longboards come with a 25 year structural guarantee. Resistant to stains, moisture, scratches, indentation and cigarette burns, Longboards are ideal for family flooring or commercial installations.

Manufacturing warranted to the highest quality standards

Australian Longboards are manufactured to the highest European standards, and come with a comprehensive 25 year domestic warranty to ensure a lifetime that will span generations.

Hygienic

Unlike carpet, laminate floors won't attract dust mites or bugs. They are easy to clean, making for the perfect hygienic floor – especially important for kids and pets.

Versatile

Australian Longboards can be laid over almost any type of subfloor, including existing wooden floors and even concrete slabs.

Perfect for commercial installations

Australian Longboards are durable, easy to maintain and, unlike solid timber, will not cup, contract or expand, giving one less item for concern in commercial environments.

Easy to install

The patented Unilin click system makes installation straightforward and uncomplicated – even suitable for DIY! No glue required – just click and go, to start walking as soon as the floor is laid.

Technical Specifications:

- Board dimensions: 1800 x 165 x 12mm
- 8 boards per pack to cover 2.376m²
- Sold with licenced Unilin click system
- HDF core 880-900kg/m³

Stylish. Affordable. Tough.

Warranty Information

The benefits to the consumer under the warranty are in addition to other rights and remedies of the consumer under a law in relation to the goods or services to which the warranty relates.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to major failure.

All expenses related to warranty claims are the responsibility of the consumer making the warranty claim. To download full warranties, please visit www.embelton.com.
